1

$$\left. \begin{array}{l} f \text{ 在 } E \text{ 上积分确定} \\ f = g \text{ a.e. 于 } E \end{array} \right\} \Rightarrow \left\{ \begin{array}{l} g \text{ 在 } E \text{ 上积分确定} \\ \int_E g(x)dx = \int_E f(x)dx \end{array} \right.$$

2

$$\int_E \varliminf_{i \rightarrow \infty} f_i(x)dx \leq \varliminf_{i \rightarrow \infty} \int_E f_i(x)dx$$
